	Attendance (LA Expected 97%)		Punctuality
	No. of sessions missed	Percentage	No. of late marks
Nursery	7	90.79%	1

Children are expected to attend Nursery every day.

We have reviewed our attendance policy in the light of poor Nursery attendance.

If your child's attendance falls below 95% - you will be invited in to school to discuss this.

If your child's attendance falls below 90% - you will be invited in to school to have a meeting with the Headteacher and Educational Welfare Officer.

A reminder that 10 consecutive absences will result in your child losing their place and you would have to reapply.

Reception found a seed and some gardening tools. We talked about where they might have come from. We then planted our own seeds.

After being introduced to our new class story 'The Extraordinary Gardener', Reception went for a walk to see what colourful plants they could find. Nursery also went for a walk and noticed lots of changes in our local environment.

Nursery have been reading 'Jasper's Beanstalk'. They are hoping something grows in their garden...

### Welcome Back

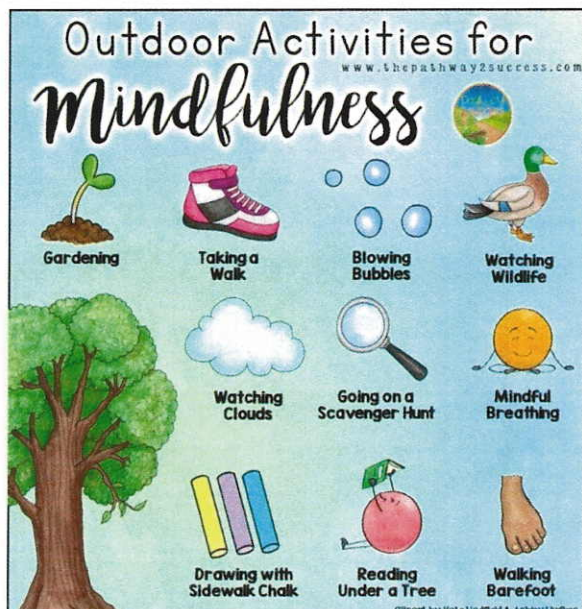

Welcome back to school after the two week break. We hope you all had a restful time and got to spend time with family and friends even though the weather wasn't great. We are looking forward to a busy and exciting term.

### Attendance during Summer Term 2024—Do the best thing for your child!!!!

Attendance during this academic year has been poor for a number of children and as a result these children are missing out on the education that they are entitled to and deserve. We need to ensure that the Summer term is much better.

**We are currently 54th out of the 69 Rochdale primary schools and this is not good for your children!**

- We cannot support the mental health of children if they are not in school
- We cannot improve outcomes by providing additional support and interventions if they are not in school
- We cannot support behaviour if they are not in school

### Mental Health and Well-being

Why not try our outdoor activities for mindfulness. You could get all the family involved and make a day of it. Mindfulness is important for Mental Health and Wellbeing, it is also brings families together.

We would love to see photographs of you all enjoying the outdoors. Please email any pictures to:
