Aldi's Kit for Schools - You can help!!!!

Aldi's Kit for Schools promotion is giving 20 primary schools the chance to win £20,000 to kick start their healthy school initiative and we want to be a part of it!!!

If you spend £30 in Aldi, you will receive a sticker. Bring the sticker into the school office and we will add it to our chart!

Remember the promotion ends on 3rd November

A big welcome to our new School Council!

These amazing people have volunteered their time to help support the children in school and ensure that their voices are heard. As part of their role, they give weekly awards to their fellow students for their contributions and efforts in school. I know you will join me in wishing them all the best in their new roles.

We need you!!!

We currently have two vacancies on our Governing Body for parent governors. The role of a parent governor is an important one and here at Brimrod we want our parents to be involved in decisions that are made about our school. We will be sending home information and nomination forms with your children so please spend a little time thinking about whether this is something you feel you could do. Please bring any completed forms to the office. Thank you.

Rochdale Foodbank

Once again we are amazed at the kindness and generosity of our children and families. This year's harvest collection was the biggest yet and weighed in at a whopping 261.9 kg of food!!!

Over the last few years we have been supporting local charities that make a difference in our local area and were able to donate all the food collected to Rochdale foodbank. Families in our area will now be able to access much needed food and supplies over the coming weeks.

Be proud!! You have made a difference!! Thank you!!
