Year 6	4	5
	Attendance Stars Year 6	Punctuality Stars Year 4

**Well done to Year 3 - our Good to be Green superstars!**

## KS1 Film Night

Wednesday 16th October saw our first film night for KS1. All children enjoyed the film and munched on movie treats while they wound down from a hard day's work !

It was so successful that we will be holding other movie nights across the year!

Follow us on Twitter or look at the website to see what your children were up to!

# News and Notices

Friday 18th October 2019

100 more to go!!

## Aldi's Kit for Schools - Running out of Time!

We are still in need of many more stickers before the deadline.

Please could parents ask family and friends if they have any stickers they could bring into school when we return from the half term holiday. Thank you

Remember the promotion ends on 3rd November

## Parents' Afternoons

Our first Parents' Afternoons will be held in school on **Monday 28th October and Tuesday 29th October**. We are starting at a slightly earlier time of 1.30pm to ensure that we can arrange appointments that suit as many people as possible. It is really important that both you and your child's teacher have the opportunity to sit down and discuss your child's progress so if you can't make the appointment time given to you then please ring the office to make another appointment at a mutually convenient time. I look forward to seeing you all then !

## Brimrod Gets Spooky

On Thursday 31st October and Friday 1st November, Brimrod will be getting spooky and completing lots of spooky activities including creating a piece of writing, decorating our classroom doorways based on a spooky book and a variety of other activities.

On Thursday 31st October children can wear spooky costumes and bring £1 (Friday will be normal uniform)

**This is a really exciting event so get your costumes ready!**

## Safe After School

We want all children to have a safe and happy half term holiday and are drawing parents' attention to the Safe after School campaign and the need to check out of school hours provision and make sure that the adults running them are suitably qualified and checked.

## FOBS / Laptops

We are thrilled to say that we have been able to purchase 13 laptops with the money raised by FOBS (Friends of Brimrod) last year. This will allow us to teach the computing curriculum more effectively. However we would like to take our laptop total to 30 over the next few years. In order to do this we need your help!

There will be a meeting for new FOBS members to come along to on Friday 1st November at 9.00am. Your involvement makes a huge difference and provides much needed resources for our children. I hope to see you there!
