Newsletter

Friday 1st May 2020

Hi Everyone!

I hope you are all continuing to stay safe and well. For many of you this is an important time and you and family members will be fasting. I know from talking to many of you over the last week that fasting is difficult in the current situation, however I know you are all amazing resourceful people and you will find a way.

Thank you to those of you who have sent photographs of activities you are doing at home. Remember that if you would like to share anything you are doing then please send emails or photographs to:

head@brimrodprimary.rochdale.sch.uk

We hope to see you all soon. Stay safe and take care!

Mrs. Thompson and everyone at Brimrod

Health and Relationships Education Policy

As you will all know, we have been consulting with parents since the beginning of year about the new Health and Relationship Education curriculum that will become statutory in September 2020. As part of our consultation, we have held numerous parents workshops, collated the results of online surveys and listened carefully to parents' views. The draft policy has been available online for parents to view and comment on and now it is ready to go to Governors for approval. I want to thank all the parents who have contributed to this process as we wanted to ensure that the curriculum took into consideration our community's views whilst meeting the statutory elements. Thank you!

[Please see the draft policy and consultation information on the school website.](#)

Just a reminder that every child in school has access to both Mymaths and Bug Club. These are not new things and children have had work set on these two platforms every week for the last two years.

Bug Club

Website: www.activelearnprimary.co.uk

Your child will have a school log in and password to access their own set of books and activities.

Mymaths

Website: www.mymaths.co.uk

Your child will have a school username and a school password. They will also have their own personal details to log them into their own account.

If you are struggling to get your child logged on please email me on:

head@brimrodprimary.rochdale.sch.uk
