### Newsletter

**Friday 8th May 2020**

### Hi Everyone!!!!

Once again, we hope everyone is managing in the current situation and is still enjoying spending time together. However I know some of you are keen to know when school will reopen again. I can assure you that there is no secret group and that we at school only have the same information that you do. We try not to listen to rumours and hearsay and focus on the factual information that comes from the Government and the Department for Education. As soon as we know anything we will let you know so please keep checking emails, texts and the school website.

Remember to send photos of your home activities too

**We hope to see you all soon. Stay safe and take care!!**

### 75th Anniversary of VE Day

The Royal British Legion is calling on people across the UK to join in a moment of reflection and remembrance at 11am on Friday 8th May, the 75th Anniversary of VE Day, and pause for a Two Minute Silence. I hope that we will all support this aspect of VE Day from the safety of our homes too. I know from speaking to lots of you over the last few weeks that you are putting up bunting and having your own celebrations. Remember to take pictures and send them to me for our next newsletter!!!

### **Can you help?**

Over the weekend, Mrs. Kouser and her family made fresh food and care packages to help families that are struggling getting food for Iftar during this difficult time.

Do you have neighbours that may need help? Maybe you could bake them something? Send us photographs of you sharing supporting our community. Remember to stay safe and always work with an adult.

Miss Shaw has been making playdough

Mrs. Simmonds has been very busy.

What new skills have you learned throughout the last few weeks?

Mrs. Morgan
