News and Notices

Friday 26th March 2021

★ Welcome back! ★

Healthy School Status

We are delighted to inform you that school have been awarded "Healthy School" Status for the work we do to promote physical and emotional health. There are lots of elements to this award including physical activity, healthy eating, travelling to school, mental health and resilience and behaviour and has been worked on by staff throughout both lockdown periods.

Improvements to the School Environment

Over the coming months you will be able to see a number of changes and improvements to the school environment inside and out. We are committed to providing our children with resources and facilities that promote learning in an environment that is inspiring and stimulating and uses the outdoor spaces to get children learning and playing outside.

I would like to say a huge thank you to Mrs. Mukhtar and Mrs. Sattar who have raised over £1000 towards our playground improvements over the last few months by baking for family and friends (socially distanced). As we have no PTA at the moment our fundraising is limited and so these two dedicated members of staff took it upon themselves to help. It is greatly appreciated. Thank you.

Easter Holidays

Even though it is the Easter holidays it is still important that you report any positive cases of Covid-19 to us as we have to pass this on to track and trace. Please do this by emailing on the following address: head@brimrodprimary.rochdale.sch.uk
