Children are expected to attend Nursery every day.

We have reviewed our attendance policy in the light of poor Nursery attendance.

If your child's attendance falls below 95% - you will be invited in to school to discuss this.

If your child's attendance falls below 90% - you will be invited in to school to have a meeting with the Headteacher and Educational Welfare Officer.

A reminder that 10 consecutive absences will result in your child losing their place and you would have to reapply.

Child safety in clubs and activities

Choosing a club, tutor or coach for your child?

- Can I observe the sessions?
- Is there a policy on safeguarding children?
- Are staff trained in safeguarding/first aid?
- Any written code of conduct for staff/volunteers?
- Is there a health and safety policy in place?
- What are the emergency procedures?
- Who do I speak to if I have any concerns?
- Is there any safety information available via website/leaflet?

Where do I go to for help and advice?

Quick reference card

Remember:

You have the right to check that the club or activity that your child attends is safe and secure.

Author / Arts Week

Wb 4th March will be our Author / Arts week for this year. During this week we look at a particular author or theme and spend time creating pieces of writing and art that will become the amazing displays that we see in the school hall. This year our theme is "British Wildlife" and as part of this we will be having beekeepers workshops for all children and virtual visits from a number of authors including Mini Grey and Michael Rosen.

Well-being Support for children and parents—School Website

Please have a look at the section of the school website regarding mental health and well-being. This section of the website is added to regularly and has resources and contacts that will be useful in supporting yourselves and your children at home. They include breathing techniques, information on "Bounce" (The programme we use to support emotions), meditations and information on sleep.
